24-Hour Con?

The anonymous posterer(s) who would like to see a 24-hour OryCon are invited to attend the Counterrevolution panel at 3:00 p.m. Sunday in the Umatilla room. This is your forum to discuss your suggestions and ideas with the committee. (The chairs of OryCon 11 will be there, so this is an excellent place to make constructive suggestions for next year.)

OryCon 11

Believe it or not, planning has already started for OryCon 11. All OryCon 10 members and non-members are invited to participate in planning next year's con. If you volunteer to be on the committee, you can run things the way you want to see them be run! If you're interested in helping to put on the show, leave your name, address, and phone number in the Daily Zine box at the office, or talk to John Lorentz or Paul Wrigley at registration. The first OryCon 11 planning meeting will probably take place some time in January 1989.

Claude Rains Contest

We would like to thank the participants in the Claude Rains Look-Alike Contest. The costumes were great... either that, or no one showed up.

Letter to the Editor

The program committee is to be commended on the success of the gafiation panel. Although the panel started at 6:05 (instead of the announced 6:00 p.m.), the Klamath Room was entirely filled by 5:45 with people wanting to see well-known pro William Ashbless and fan Ben Yalow discuss the reasons for their upcoming gafiations. During the question period at the end, they both agreed to repeat the panel at Readercon in Lowell, MA next weekend.
