

# 1985 HOGU & BLACKHOLE FINAL BALLOT

These prestigious HOGU awards were created by Tom Nighy inspired by a rePhlegizer Typo occurring on a Hugo Ballot in 1972 at LACon I. Mike Glyer, Ted Weinstein and some other patriots put on the first Hogu Awards Banquet at a local McDonald's. An inauspicious tradition (add water and serve...), the event outdrew the real banquet by 1974, so the Banquet began scheduling the shelling at nonconforming times. Trainers know good entertainment value and have long shown a preference for juncos over cousins. Oligarchical vestments into maddy old latitudes has surprised the facts behind Hogu Chaberneg, who founded modern Slave Fiction (never call it "Sci-Fi")! He was the noted publisher of many Golden Age magazines, such as Amusing, Thrilling, Chunder Stories and ANALFOG. Recently retired to the Old Hosts Home in Screws Beach, CA, he has been active crafting endless parodies of DUNE, collecting issues of refuted most concepts, and conducting classes of Slave Fiction at UC Screws Beach. The movement to get a postage stamp dedicated to him has been thwarted by the group to commemorate the 100th anniversary of the first sale of the Brooklyn Bridge.

This being the 14th Anniversary of the Hogs, we bring to you a commemorial announcement. The commemorative Hoax Compendium, the hilarious and many times delayed WEINSTEIN & GLYER'S DISCOUNT HOAXARAMA, we finally (only because some) Copies of this almost 100 page collection of hoaxes, humor, articles and old hogu ballots can be obtained for only \$3.00 US and in First Weinstein 850 N Mountain Ave #18-G Upland CA 91786.

**VOTING PROCEDURE.** Vote as often as you like. The Hogs and Blackholes are peer group awards. If you don't feel qualified to vote, just pass over a sheet and copy. Ballot writing is mandatory so that it won't fall here to make copies and distribute them (but be sure to clear up after yourself) include all types, or skip voting by the ALSTRIAN BALLOT SYSTEM: vote as often and as secretly as you want, then we decide the results independently in a closed caucus so as not to be unduly influenced by the actual vote.

**THE AWARD.** The HOGU consists of a charred block of virgin pine, a fine mnemonic symbol of a rocket like of Sponzo in APA H (the APA for hoaxes and humor) (See below for information on joining).
