Dear Hugo Nominee:

We are pleased to send you an official certificate of your 1997 Hugo Award nomination. The now traditional nominee label pins will be given out to you or your designated acceptors at Bucconeer registration, and will be mailed after the convention to those of you unable to attend.

It really is an honor to be nominated for a Hugo Award, and we feel equally honored to have been entrusted with the responsibility of administering this year's awards.

We look forward to seeing many of you soon at Bucconeer at the Hugo reception and Awards Ceremony, on Friday, August 7, 1998.

At this time, we know that Science Fiction Weekly ([www.scifiweekly.com](http://www.scifiweekly.com)) is again planning to have live on-line coverage from the Awards Ceremony that will be accessible through their webpage. We are also making arrangements to have the results released and posted to Bucconeer's webpage [www.bucconeer.worldcon.org](http://www.bucconeer.worldcon.org) and elsewhere, immediately following the conclusion of the ceremony. Copies of the press release will also be available following the ceremony.

Sincerely,

John Lorentz and Ruth Sachter  
Bucconeer Hugo Co-Administrators
