WHAT IN THE WORLD IS THIS STRANGE "SUNDAY FUNNIES" THING??

Several years ago, Chicon 7 Fan Guest of Honor Peggy Rae Sapienza had the idea that every fan should have the opportunity to wake up on Sunday morning, open their hotel room door and find the Sunday funnies waiting for them, but not the regular Sunday funnies with Snoopy and Dagwood, but the Sunday funnies created by fan artists. With Peggy Rae as Guest of Honor and with Chicon 7 under one roof, 2012 seemed like the perfect year to make Peggy Rae's vision a reality. Chicon 7 presents the Sunday Funnies!
