

The Abyssal Plain in 2012

20,000 Fans Under the Sea

It doesn't need lifeboats, it's already sunk.

If you think you've been to a Worldcon that was a disaster...

If you've ever thought the con hotel was a wreck...

If you think you've seen programming that was all wet...

YOU HAVEN'T SEEN ANYTHING YET.

A CON TO REMEMBER

How could it sink any further?
