### MEMBERSHIP INFORMATION

There are two classes of Worldcon membership, attending and supporting. Supporting members get copies of the major publications, the right to nominate and vote for the 1991 Hugo Awards, and, with payment of a fee, the right to vote in the 1994 Site Selection balloting. Attending members get the rights of the supporting

members, and can also attend Chicon V.

Owing to promises made during our bid, the pricing structure for Chicon V is complex. Use the following to figure your cost of membership. If you:

PRESUPPORTED AT \$20 and voted, you are an attending member, and will receive a \$5 rebate.

PRESUPPORTED AT \$20 but didn't vote, you are not a member, but an attending membership will only cost you \$30.

DIDNT PRESUPPORT but voted, you are a supporting member. Your conversion to attending membership will cost \$20.

DIDNT PRESUPPORT and didn't vote, either, you ain't a member. A situation easily remedied. Attending membership is \$50 thru 31 December 1988, and \$75 for all of calendar '89.

SUPPORTING MEMBERSHIPS are available for \$20 until 12/31, but will be higher later.

The postmark on your envelope is law when it comes to registration pricing. Please mail before the deadline date, just to be sure that the post awful doesn't get you.

## Publications Information

Thus far, we have only scheduled the first two of our progress reports. After all, we aren't sure how fast information is going to accumulate these first two years, and don't want to commit ourselves to unnecessary work and expense. Our progress reports will be split between full, glossy types and less formal newsletters. Scheduling and advertising information about the first two PRs follows.

PR1 will be a standard glossy one. Copy deadline for camera ready ads is 1 Feb. 1989, with an April publication date.

PR2 will be a newsletter. Your camera ready copy needs to arrive at our hot little p.o. box.

by 1 August 1989 for an October publication.
