# CHAIRS' MESSAGE

KIA ORA!

It was a 10-year journey from inception to completion, and we're now in the throes of winding CoNZealand down, so it's appropriate that we now take the time to thank all

those who made it such a success.

During the bidding process, Maree Pavletich went above and beyond, battling to ensure our bid parties were well provisioned. There were the minutiae of customs forms, and shipping companies that only took cash, and customs forms. We tip our hats to her!

We thank the committee who went along for a wild ride, even though we had no idea whether going virtual would work. We thank our crew and many volunteers who stepped up and made crazy ideas actually work. Thanks to all of you who took time to help in any of the many stages and forms of CoNZealand.

We thank our fantastic Guests of Honour, Mercedes Lackey, Larry Dixon, Greg Broadmore and Rose Mitchell, and our Toastmaster George R.R. Martin for making this journey through the stars with us.

Special thanks to the Heroes of CoNZealand. Those volunteers and partners who went above and beyond to hit ridiculous deadlines and invent new ways of doing things.

These heroes are: Jenine Abarbanel, Dave Agnew, Henry Balen, Fred Bauer, Tom Becker, Alan Bond, Clare Boothby, Ellen Boucher, Anna Bradley, Darin Briskman, Lorain Clark, Marian Clements, Todd Dashoff, Ben Dobyys, Susannah Donovan, Steven Ensslen, Gadi Evron, Carl Fink, Anne Finke, Judy Fletcher, Matthew Gray, Mel Harding-Shaw, Cassie Hart, Morgan Hazelwood, Lisa Hertel, Heather Rose Jones, Niamh Kearney, Melissa Kocias, Pat Maher, Belle McQuattie, Daria Medved, Perry Middlemiss, Ben Nathan, Terry Neill, Alice Peng, Wendy Rahtz, Kate Richards, Dragos Ruiu, Kevin Samuels, Sam Schenk, Kristin Seibert, Randy Shepherd, Matthew Shogren, Marguerite Smith, Alan Stewart, Chloe Sutherland, Gail Terman, Alex Tischer, Jo Toon, Patty Wells, and Z! (Zee Bang).

Most of all, we want to thank the fans. Those who come together and give Worldcon its magic. Thanks to all of you.

A few stats: During the convention more than 430 programme participants provided over 600 programme items from more than 15 different time zones. Our inclusion initiatives brought in over 30 additional participants from indigenous, marginalised and historically underrepresented groups at Worldcon. We had approximately 1800 attendees in each of Grenadine and Wordpress, and nearly 1700 in Discord, although not all attendees used all the services we had on offer.

Thank you once again for exploring the virtual space of CoNZealand with us.

Kia kaha,

Kelly Buehler and Norman Cates

TAKE TO THE STARS

# CHICON 8

THE 80<sup>TH</sup> WORLD SCIENCE FICTION CONVENTION

# EXHIBITS ROUNDUP

The CoNZealand Exhibit Hall was accessed via the Hall-O-Deck, a button on [virtual.conzealand.nz](http://virtual.conzealand.nz), which would “beam” an attendee to a page showing the Exhibit Hall map.

Art by Jeanne Gomoll

A Dealers Hall, Art Show, and Displays areas were on offer. Each dealer had a page (their “table”), and could display their wares as well as links to their usual websites. Each exhibiting artist had a gallery page. All this, as well as displays, were available via browser.

The Exhibit Hall also had a modest presence in Discord, the convention's social space. Several text channels were set up for Exhibit Hall announcements and artist and dealer chat and these were used constantly throughout the convention.

On Thursday, we unveiled the 3D Virtual Exhibit Hall, and each consecutive day we added more details. The Hall design was based on the original space, the TSB Bank Arena in Wellington. Our volunteer 3D modelers and software “Hall builders” team did amazing work bringing the space to life, with a layout close to our original plan.

The 3D space was offered via a browser tab. After a brief wait for the space to load the first time, you could stroll the Art Show and Dealers Hall under the benevolent eye of our own colossal squid, viewing selected content from the 2D pages in a 3D environment. You could view the artwork on panels or a photo on a dealer's table, then click to open a new browser tab to see more art or merchandise.

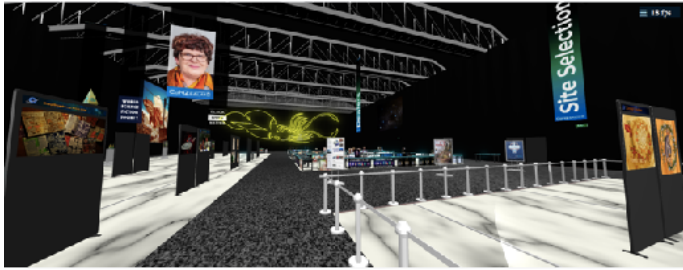

In the spirit of simplicity, everyone moving through the

hall was represented by a CoNZealand name badge. In the spirit of fannish humour, each badge had a pair of googly eyes. The Hall was hung with banners, and decorated with two light

installations depicting the Southern Cross and the Pleiades, both important to southern hemisphere navigators.

Dominating one wall — the wall closest to Shed 6 — was a monster (envisioned by Greg Broadmore) stomping on Wellington's Lambton Quay. In place of the loading dock, the far wall was graced by a colossal squid, one of the storied creatures of New Zealand. (Our storied squid was drawn for us by Teddy Harvia.)

## Our Exhibiting Artists

15 artists graced our Show. Each displayed their work in a gallery on a web page, and our artist team worked overtime to feature these artists a second time in the Art Show in our 3D Hall, where selected pieces from each artist were displayed. We're grateful to Greg Broadmore for allowing us to also display his rayguns and a featured robot character from Dr. Grordbort's in our 3D hall.

# SIR JULIUS VOGEL AWARDS PACKET AVAILABLE

If you missed out on the Sir Julius Vogel voting packet the first time we are pleased to announce that it is now available again for CoNZealand members, this time from the CoNZealand members website until mid September.

Visit [members.conzealand.nz](http://members.conzealand.nz) and log in with the email address you used to register for the convention to access the packet.

The download of materials from Sir Julius Vogel Award finalists is supplied free of charge as a courtesy by the creators and publishers of works that were nominated for the awards. We are deeply appreciative of the artists, authors, editors, publishers, and other creators who have generously provided their works to this year's packet. We ask that you honour their request that you reserve the copies for your personal use only, and that you do not share these works with non-members of CoNZealand.

Not all of the finalists have provided work for this packet, and some work that was in the original Sir Julius Vogel Award packet does not appear here. Only work that the finalist or their publisher has agreed to make available is included. CoNZealand completely supports creators being paid for their work, and encourages everyone to support creators financially. If you enjoy a work you find here, please purchase it or another work by the same creator.

# BIG HEART WINNERS

Congratulations to Janice Gelb and Stephen Boucher!

From the award citation:

The two people that are to be the 2020 Big Heart Award recipients were chosen as very good examples of fans who are friendly and open to making new members of our community feel as though they are more than welcome and belong to the fannish family right from the start.

They have also proven to be extremely valuable and knowledgeable contributors to the activities that we all enjoy so much. Many of their contributions involve con-running and working in a very dedicated manner on the conventions that we all love to attend. Some examples of this activity are being on boards of directors, managing various departments and divisions of many World Science Fiction Conventions as well as a range of regional conventions. This includes managing program operations for at least eight Worldcons, handling hotel and facilities negotiations, managing the events division, and producing and overseeing the Hugo ceremonies.

# 2022 SITE SELECTION FINALE

By Alan Stewart, CoNZealand Site Selection Area Head

In case anyone is interested, the write-ins which were ranked 2 or 3 preference were as follows. (Some individual ones amalgamated if it was thought their intent matched that of another similar write-in.)

Thank goodness I didn't have to read all these out as well.

Boston Mountains in 2001	1
Calgary, Canada	1
Cathy Bacon's Back Garden (for) 2022	2
Charlottesville, VA	1

Remember posterity sneers at number twos (fossilised dino poo notwithstanding) and in this case only officially records number ones.

Here is a photo of the ballots being officially added to my recycling bin (none of that burning CO2 pollution). All done!

A circular window with a wooden frame looks out onto a vibrant rural landscape. To the left, a portion of a green-painted wooden door with a black metal handle is visible. The view through the window shows a stone path leading through a garden with various plants and flowers. In the foreground, a wheelbarrow is filled with pumpkins. The background features rolling green hills, trees, and a clear blue sky. The text "TO BOLDLY GO, THERE AND BACK AGAIN" and "WWW.CONZEALAND.NZ" is overlaid in white on the scene.
