PASSPORT TO THE

UNIVERSE

CONADIAN
52 ND WORLD SCIENCE FICTION
CONVENTION

SEPTEMBER 1-5, 1994
WINNIPEG, CANADA

Welcome to ConAdian, 52nd World Science Fiction Convention, this is your Passport to the Universe.

How to Use the Passport

1. Throughout the convention you can collect stickers and stamps from a variety of sources including extravaganva events and restaurants. All you have to do is approach those participating and get your booked stamped.

Individuals are invited to participate by providing their own stamps - there are extra pages at the back of the passport for additional stamps.

2. Autographs - provided for your convenience in the centre of the book are blank pages to collect the autographs of your favorite writer, artist or any other notable individual.

3. Party Listing - keep your social life in order with a little help from us. All you have to do is fill in when and where the parties are that you want to attend and then have fun. It's as simple as that.

4. The 'note' pages at the back of the passport are available for whatever use you'd like to put them to; additional passport stamps, telephone numbers, doodles or your next novel.

INTERSECTION

The 53rd World Science Fiction Convention

AUGUST 24th - 28th 1995

Scottish Exhibition
& CONFERENCE CENTRE **GLASGOW**

MAIN THEME:

SPACE & TIME

GUESTS OF HONOUR:

SAMUEL R. DELANY

GERRY ANDERSON

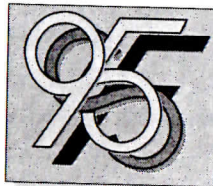

What do you get for your money?

The most interesting programme of any convention - probably! With special emphasis on Science Fiction, Science Fact and Futures, Media Fandom, Japanese Animation, Artwork, Music, Fun ... and far too many other areas to fit on this page (if printed at more than 36 point!)

The greatest guests and writers - allegedly! Possibly the largest Science Fiction dealers room in the known universe! (On the other hand, maybe just the best!)

Over 5000 fellow fans from all over the world (without doubt!)

Almost certainly the most fun you can have for \$12 per day (accommodation, food and lots of drink not included!)

until 30/9/94	£	\$	CS	DM	DFI
