

PERTH IN '94 WORLDCON BID

Perth Fandom, inspired by Aussiecon II, have taken it into their hearts (and gone out of their minds) to make a bid for the 1994 Worldcon .

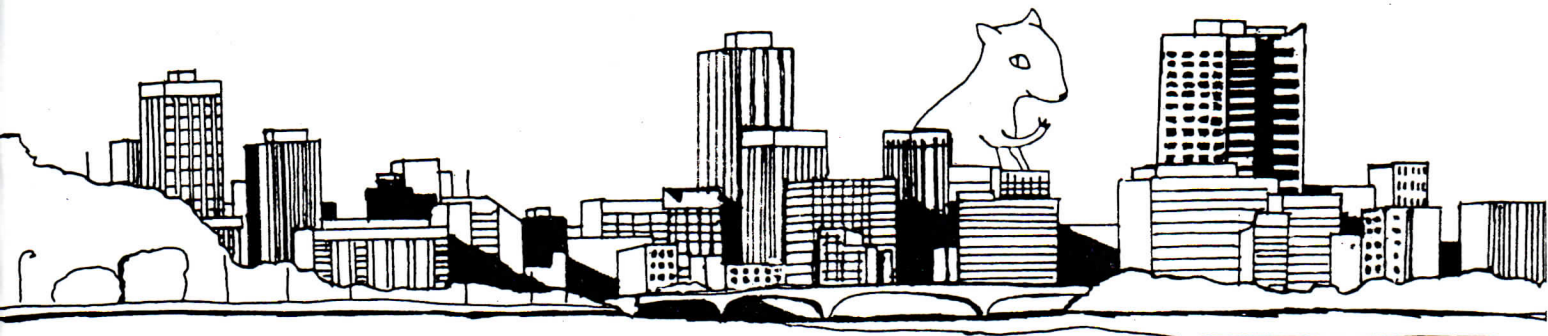

Currently the Committee consists of : a co-chair of John McDouall and Greg Turkich; secretary, Cindy Evans; treasurer, Jay Plester; publicity, Caroline Strong; and fund-raising, now vacant (held for a short time by Julia Bateman). The bid will be run on a series of 3-year plans - therefore the Committee will be changing every three years so that as many people as possible will get to be involved with the running of the bid.

Thanks to the migration of the America's Cup and the tourist boom thus inspired, Perth currently boasts of four venues capable of holding a Worldcon - with more venues to come (in construction phase), possibly up to seven more.

Due to American enthusiasm for yet another Worldcon we have a multitude of US agents, but we're still looking for UK & European agents.

Currently Pre-supporting Membership Rates are : AUS \$5.00, NZ \$5.00, US \$5.00, UK £2.00, and Canada \$5.00.
