Putting the World back into Worldcon™

Our Philosophy: Too many conventions forget the world in Worldcon. Worldcon should be more than just a bigger American convention. San Francisco is a international city and SF in '93 will be a truly international Worldcon.

Our Committee: The San Francisco in '93 Bidding Committee is composed of veterans of many Worldcons, Westercons and other regional conventions. We are members of every major Fan organization in Northern California (including, but not limited to: Littlemen, SSFA, Spellbinders, NCSFA, CA Costumers Mafia, SCA, Mythadventures, Starfleet, Dr. Who and Sassafrass.)

We are: Sue Stone, Chair; Dan Murphy, Treasurer; Terry Biffel, Secretary; Michael Wallis, Regional Whip; Mary Mason, Hotel Liaison; Gail "Pubs" Sanders; Ben Miller, Membership; Jan Howard Finder, Wombat-at-Large; along with members and supporters Judy Morman, Jeff Canfield, Greg Benford, Kitty Crowe, Sabre, Diana Paxson, Wilma Meier, Sasha Miller, Ray Faraday Nelson, Raymond Feist, Yvonne Penny, Steve Goldin, Terry Terry, Clint Bigglestone, Sarah Goodman and Spider and Jeanne Robinson.

We've worked for each other for over a decade running more than 50 successful events for groups from 100 to 10,000. We want to do it again. For you.

Our Facilities: *The Marriott* - 100,000 square feet of function space with rooms for as few as 25 or as many as 4,500 people. 1200 guest rooms, 100 suites and 16 elevators assure that you will be close to all of the action. We have also arranged for 1600+ additional rooms at the Hilton, The Sheraton Palace and the Reneson Best Westerns (all within 1/4 mile) to suit all budgets and needs.

The Marriott is sensitive to fannish needs: no corkage in private rooms; 24-hour Coffee Shop, swimming pool, trash pick-ups, on-site hotel management and engineering staff; relaxed dress-codes; added soup and sandwich bars; added waiters and bottle washers; added maid service; added towels; added chocolate...

The Moscone - Over a quarter of a million square feet of function space directly adjacent to the Marriott Ballrooms with early set-ups and late take-downs already arranged for exhibitors.

Our City: With over 4,000 restaurants, San Francisco gives you what you want, whether it's 4-star cuisine or fresh crab and sourdough on Fisherman's Wharf. Whatever you want to do - from our world class opera to blues, jazz and rock 'n' roll 'til the wee hours, from the exclusive Union Square boutiques to the street vendors in Chinatown - it's all here. Telegraph Hill. Alcatraz. The Golden Gate. Lombard Street. All within walking distance. Our mild climate (average temperature in the '70's during Labor Day) won't keep you from it and we're looking forward to showing it to you.

Worldcon in a World-class city.
