"A HUNNY OF A CONVENTION"

## TILLAMOOK IN 1981 !

We feel that Tillamook has unjustly been passed over, that it has been denied the fame due it.

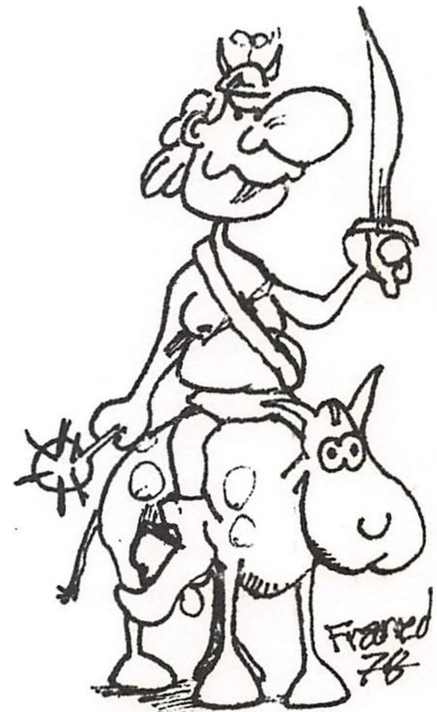

(Tillamook has almost been the filming site of a Disney movie, a McDonald's ad, and "Close Encounters Of The Third Kind".)

We hope that, with the emergence of the TILLAMOOK IN '81 bid, Tillamook will soon gain the notoriety it so richly deserves.
