

LACON SEMINARS

For those who wish to participate actively in the program, there will be a number of small, informal Seminars/Discussion Groups on various topics involving the literature, writing, and publishing of SF and Fantasy, as well as aspects of fandom. Some suggested topics have been:

- "The Teaching and Criticizing of SF and Fantasy"
- "The Writing of _____ (name an author)"
- "The Dying Magazine Format"
- "The Rise and Fall of the Amateur Press Associations"
- "Dead Ends: Good Stories With Weak Conclusions"
- "The Con Game: Conventioneering from Inside and Outside"

If you are interested in being part of one of these Discussion Groups -- or of a Group discussing some other subject -- please fill out the form on the reverse and send it in so that we can assign rooms for the Groups and get the various people together who want to discuss the same subject.

A schedule of Discussion Groups will be available at the convention, and we will try to allow space for on-the-spot formation of new Groups.
