### A Companion to the Pocket Guide...

These sheets, one per day, are intended to be an addendum to your Pocket Guide (they would have been featured in the Guide, but we simply ran out of time!) All times and locations are correct as of press time. For more, see the Daily Newsletter or visit the Information desks in all locations.

### Hotel Locations

Remember: CC indicates a Convention Center locale; H means Hilton and M means Marriott. The autograph sessions are in the Convention Center's Concourse area; the Docent Tours meet in the locations indicated in the Guide.

### Readings and Kaffeeklatsches

These meet in less time than do the rest of the program items; readings take place every 45 minutes on the mark (as indicated in each entry herein) and Kaffeeklatsches are hour-long. For info on participating in the Kaffeeklatsches, see Information.

### Autograph Sessions

Two of the three autograph areas are at the back of the Convention Center -- these are Areas 1 and 2 and are listed in this booklet. Area 3, along the side wall, is set up for on-site autograph sessions such as actors and so forth; they will be posted in the Daily 'Zine and at Information, as will changes to the Areas 1 & 2 setups.

### Party Planner and Program Changes NoteBox

These are provided for your convenience. Use the Party Planner to jot down the day's parties, while you can use the NoteBox to indicate changes directly on your schedule. You can also fill in additional programs in the blank boxes not used on the chart.
