LOS ANGELES IN 2006

A Bid for the 64th
World Science Fiction Convention

JOIN THE SPACE CADETS AND TRAVEL

The call of deep, deep space. As insistent and demanding as the call of nature. Trust us, if you ever have to answer the call to nature in space, travel will play an important part. How close do you think the nearest set of clean facilities is? (By the way, your Ship's Captain expects his facilities to be a lot cleaner than they are. Get back to work!)

In racing from one Star System to another, legions of proud **CADETS** have opportunities to view Galactic wonders. And with liberal applications of Quantum Drive Engines and Siege Laser Cannons, survive them! (Insure you check the duty roster *after* the use of the Siege Laser Cannons. You know how the Captain likes to keep his Lasers bright and shining!)

Only as a member of the **SPACE CADET CORPS** will you be able to travel the stars! Gaze upon the mysteries of strange worlds. Gasp in awe at the beauty of Hyper Space. And all from the comfort of the cleanest ship facilities in the universe (Or, they will be the cleanest as soon as you put this down and get back to work!)

JOIN TODAY!

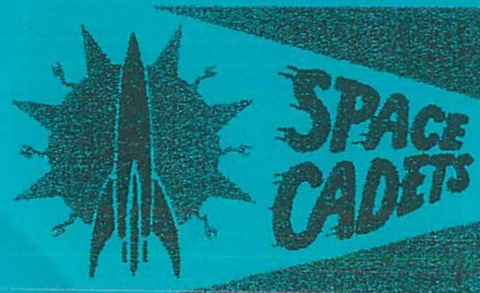

THE SIGHTS YOU MIGHT SEE!

- THE CLONING VATES OF THE REPUBLIC OF HELDER
- THE PERMANENT RESIDENT QUARTERS OF HAWKSBILL STATION
- THE SEASCAPES OF EDDORE
- THE GOVERNING BODIES OF COVENTRY

(Sightseeing only with permission of Cleaning Officer)

BEING IN AWE WITHOUT WRITTEN PERMISSION IS A VIOLATION OF REGULATIONS!

— From "Code of the Space Cadet," Section 37.3.02
