Dear Program Participant,

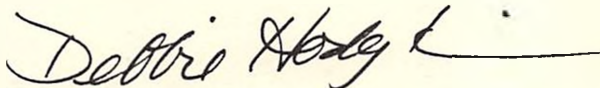

Because you have agreed to participate in Programming events at NolaCon II, there will be a special area for you to register at the convention. Please come to the Green Room, shown on the enclosed map, when you arrive at NolaCon II. All of your registration materials will be there. If you need to upgrade your membership from a supporting or pre-supporting membership, we will be able to handle that. We will be glad to have in the Green Room the registration materials for anyone coming with you, so you don't have to stand in the longer General Membership registration lines as well. Just fill out the enclosed card with the names of any traveling companions (spouse, child, parent, roommate, chaperone, etc.) and send it back to me.

The Green Room will also be a lounge for you to use during the course of the convention. We hope you will check in before each of your scheduled events to meet the other panelists and plan your panel together. We will provide an escort to the room for each of your events. There will be plenty of space in the Green Room to load slide trays, make notes, or do any other preparation for your event.

Your proposed schedule is also enclosed. Please let us know as soon as possible if there are any problems. Please use the enclosed card mentioned above.

If you have any special requests during your stay in New Orleans, let us know and we'll do what we can to help. We are very excited about the Programming for NolaCon II, and we hope to make it fun for you to participate.

Yours,

Debbie Hodgkinson
