Dear Science Fiction Professional:

We would like to take this opportunity to contact you regarding programming for NolaCon II, the 1988 WorldCon to be held in New Orleans to be held September 1-5.

Enclosed you will find the initial programming questionnaire, plus information on NolaCon II membership and a housing form for the con hotels. If you are interested in participating in NolaCon II programming, we urge you to return the questionnaire as quickly as possible. We anticipate issuing separate programming newsletters on a regular basis as our plans for the programming develop. The mailing list for this newsletter will be drawn from the respondents to the enclosed questionnaire.

Those persons participating in NolaCon II programming will be eligible for membership refunds at a rate to be determined later. While we hope to accommodate everyone who is interested in participating; however, please understand we may not be able to place everyone on a panel or other programming item. We'll try our best.

We look forward to hearing from you and seeing you in New Orleans!

Sincerely,

George Alec Effinger
Pro Liaison,
NolaCon II
