

NEW YORK IN 1989

ANARCH'S LEGION 3

An announcement of the Golden Anniversary Worldcon Bid

In 1939 the First World Science Fiction Convention was held in New York City. The Worldcon returned to New York in 1956 and 1967. Many of us believe that it is time for New York City to host another Worldcon. 1989, the 50th anniversary of the First Worldcon, is an appropriate year to return to the city where it all began.

We are a slowly growing group of over 50 fans from New York City, Long Island, New Jersey, upstate New York, and several cities across the country. We are APA-fans, party-fans, club-fans, convention-fans, filk-singers, were-gamers, space enthusiasts, cartoon/fantasy fans, comics-fans, computer hobbyists, artists, hucksters, and probably a few other kinds of fan. And while we do not have a traditional bid organization, we do have a coordinating committee:

Robert Sacks	General Secretary
Thom Anderson	Executive Officer, Treasurer, and Facilities Committee Chairman
Paul Birnbaum	Relaxacon Committee Chairman, and Advertising Manager
Mark Blackman	Creative Staff
Brian Burley	External Relations
Fredrik Coulter	our Founder
Robert Gerber	Ways and Means Committee Chairman
