ENGLISH TOURIST BOARD CATEGORIES OF FACILITIES

Maybe you are looking for a hotel with a wide range of facilities; or perhaps you are seeking simple relatively inexpensive accommodation.

The English Tourist Board's categories of facilities numbers will help you to identify quickly the places in the list which are most likely to meet your own particular requirements.

Try it out. When you have used it once or twice you will find that the method is very simple. Just remember the bigger the number the greater the range of facilities and services.

Each entry has three category numbers. The first number describes the bedrooms and provision of toilets and bathrooms. The number in the second column indicates the nature of public rooms and service available; the third number tells you what meals are provided.

The categories are based on information supplied by the proprietor. The numbering does not imply quality grading or constitute a recommendation by the English Tourist Board or the Boroughs of Brighton and Hove.
