A Tribute To Canadian Costuming

Fashion Show

Join us this evening for our very special Fashion Show. All designs are exclusively Canadian, our tribute to the Great White North. Enjoy the imaginative musings of fantasy, Anime, literature, favourite television shows and films. A rare glimpse of your favourite costumes including those from past Worldcon, Costume Con and regional masquerades which, in most cases, haven't been seen since originally completed. Your MCs Laurie Browne and Gord Rose want to thank all of our designers, models, volunteers and the masquerade organizers for making tonight's show possible.

Masquerade Photos and Video/DVD

Masquerade photo prints will be on display in the Caledon Room of the Crown Plaza Hotel on Monday. Copies can be ordered. A set of masquerade photos can also be purchased on CD. Details for ordering video/DVD will also be available Monday.
