SPECIAL ANHOUSDIENT

Beginning with this issue and coinciding with the date it is published (about 20th of Oct., 133), we will begin a new program of reorganizing and expansion. We are going to put on a drive for new members. For new subscribers for the BULLETIN, as well as many other t hings that we will discuss futher on.

PROPOSAL:-----IT HAS been proposed to us. (And on carefull consideration we recommend this measure) To change the name of our organization, from THE INTERNATIONAL SCHENCE FIG-TION GUILD, to THE TERRESTRIAL FANTASCIENCE GUILD.... THE FOLLOWING very good reasons have been brought fo-

rth, that recommend this change

(1)-REASON FOR TERRESTRIAL: -We fantastic fams are great Utopians. We believe in other worlds. Almost all of us look forward to that great day in the future wh en there will be NO individual natious but only a gre at union of peoples. The Parliament of Man, Federation of Barth. In that respect we do not regard ourselves as "international". We see no nations. We are all Terrestrials together. Let us consider surselves in that light.

(20-REASON FOR FARTASCIENCE:-This word was coined by John Taine, and covers both the Weird and Science

groups of the Fantastic Literature field.

(31-REASON FOR GUILD: -Is as you already know, GUILD means a group of person of kindred pursuits or aims. That is encough. WE ALSO MIGHT ADD THAT THE SCHENCE FICTION IMAGUE, IS CALLING ITSELF "The International Science Fiction League; the difference from our name is very small, and leads to confusion.
