COMMITTEE FOR THE INVESTIGATION OF UNFANNISH ACTS

Some bastard stole William Gibson's beer. It had been sitting under his chair while he was signing autographs, and the next moment it had gone. Look folks, we've heard souveniring celebrity items, but stealing a bloke's beer...what sort of ideas will William get about Australians from that?

CONSTANTINOPLE IS A SMOKE-FREE ZONE

Could whoever was smoking that funny green tobacco in the vicinity of the fan lounge at just before 5-00 on Saturday please note that smoking of all kinds is outlawed in the convention area. Alan Drain, who has an allergic reaction to the stuff, was severely discomforted.
