 Continuum X is proudly supported by the Continuum Foundation

# THE CONNIES MELBOURNE

The Connies is a performance troupe born from Melbourne's rich 128 year tram tradition.

Our troupe is made up of former Melbourne Tram Conductors and tram-loving passengers, continuing the rites of the bag and the ticket.

Dressed in uniforms that span the eras of tram fashion and swinging beautifully crafted conductors' leather bags, the Connies continue the yarning trammie tradition, yarning and distributing Australian tramway history, social history, and flora and fauna collectable swap cards. The Connies entertain, educate and inform.

The Connies are fresh back from Kolkata in India where we've been painting and decorating trams, and performing on-board as conductors and connies with our trammie friends since 1996.
