

THE 30th AUSTRALIAN SCIENCE FICTION CONVENTION

GUEST OF HONOUR PATRICK TILLEY

TOASTMASTER NICK STATHOPOULOS

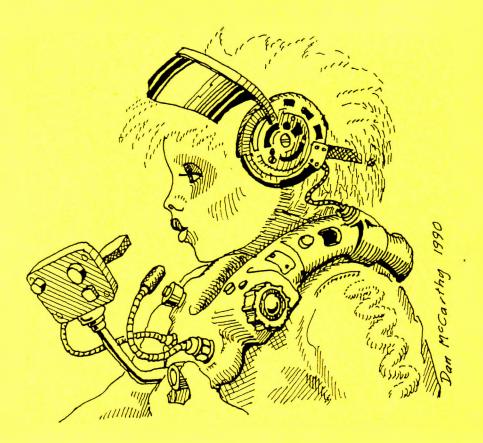

PATRICK TILLEY

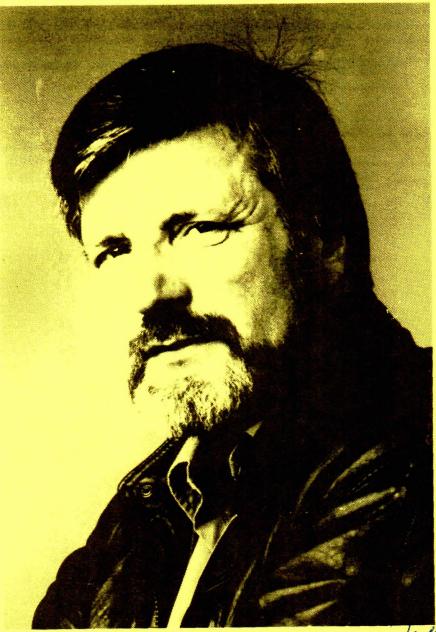

Patrick Tilley was born in Essex in 1928, moving first to London, then to Tyneside. The war years were spent as an evacuee in the Lake District. After two years in the Army, - which solemnly noted he had "an over-developed sense of humour" - he studied art at King's College, University of Durham.

Returning to London in the mid-50s, he rapidly established a reputation as one of Britain's leading graphic designers. A trial rum writing three episodes for *Crane* (ATV, 1959) encouraged him to give up the world of advertising to begin a new career in the film industry in 1968. He worked as a scriptwriter and creative adviser on several major feature films before starting his first novel in 1971. More script assignments in new York and Hollywood followed - experiences which prompted him to head for a saner existence on a small farm in the hills of Snowdonia where he now lives in what he describes as "a mixture of high-tech and rural squalor", dividing his time between an IBM word-processor and a growing flock of sheep.

His first two books, FADE-OUT and MISSION, have reached a world-wide audience, and have been translated into several foreign languages. The tremendously popular AMTRAK WARS series begun in 1983, has now reached Volume 6: EARTH-THUNDER.

This is Patrick's first visit to Australia, and he joins Suncon as Guest of Honour, courtesy of Penguin Books.

Vortmisher, Fatriak MBM Sinion 91/Bristane.

TICK STATHOPOULOS

Nick Stathopoulos - artist, art director, designer, animator, and sculptor, Nick has won DUFF with Lewis Morley and Marilyn Pride, three Ditmars for Best Australian SF and Fantasy Artist, a Penguin for Production Design for Son Of Romeo (a special created for SBS), and numerous masquerades. Whilst working for Hanna Barbera and, later, Walt Disney Aust, Nick has completed a mural for the Power House Museum Space Exhibition (Earthrise) and created several book covers including From Sea To Shining Star (a retrospective of A.Bertram Chandler's work) and Rynosseros, Terry Dowling's anthology. As well as designing the production of Son Of Romeo, Nick has also been responsible for the production design for Rapunzel In Suburbia and Hunting The Wild Pineapple, documentaries on Australian writers Dorothy Hewett and Thea Astley respectively.

THE CONSTITUTION OF THE AUSTRALIAN SCIENCE FICTION CONVENTION

There will be an annual Australian Science Fiction Convention organised by a Convention Committee from amongst Bids submitted to the Business meeting at the Australian Science Fiction Convention, two calendar years before the Convention to be selected.

The Convention Committee for each Australian SF Convention will, by a vote of the Constitution members, after a nominating process involving Australian Fandon generally, award up to five Australian SF Ditmar Awards (of which at least one must be for fannish endeavours) and the William Atheling Jr Award for Criticism and Review.

The Convention Committee will ensure that any surplus by an Australian SF Convention will be applied to the benefit of Australian Fandom generally, and shall not be used to reward individulas or groups connected with the Convention Committee. The Constitution may be changed by this method only: Notice of intention to amend, including the exact text, must be submitted to the Convention Committee in sufficient time to be published in the Convention Handbook (where this Constitution and any proposed amendments MUST be published) and then the amendment must be approved by a majority at the Business Meeting. No amendment will be in order if it has the effect of increasing the number of words in the Constitution.

CONSTANTINOPLE

Welcome to a note about Constantinople, a convention to be held in Melbourne over Easter 1994.

The reason you've heard about us already is because we plan to host the 33rd Australian National SF Convention then, and letting you know at Suncon seemed appropriate. We hope you will all attend Syncon next year and support us.

So far we have a Bid Committee, an array of helpers, and negotiations are underway to secure a Hotel, as well as a Professional and Fan Guest of Honour. Our Bid Committee consists of James Allen, Jan McNally, Karen Pender-Gunn, Alan Stewart, Glen Tilley and Apollo Zammit.

We'd love to hear from you and can be contacted at PO Box 212, World Trade Centre, Melbourne, Victoria, 3005 AUSTRALIA, or have a chat to James at Suncon.
