

Thylacon

Hobart

9 - 12 June 1995

An old style National convention with an emphasis on all fields of SF, reading, writing, viewing and fandom. It has a major strand devoted to the emergence of 'young adult' themes in recent SF and another on terraforming - both this planet and others. It will also have a games program, including a Magic™ tournament, a masquerade, a hucksters area, auctions, literary and media panels and a fanroom.
