CHILDREN'S PROGRAM

This year's program boasts a professional storyteller, an Easter egg hunt, a dragon pinata, a magic show, kid folksinging, and other fun events.

Children's programming is programming designed for young fans. It is *not* babysitting. You are expected to pick up your child at the end of each session. Children under 5 may *not* be left at sessions unattended.

About 15 minutes before each session, a gofer will meet children in the lower lobby level outside the dealer's rooms to escort them to the session and back. All sessions are 1 hour and will be held in rooms 210 and 211. Suggested ages for sessions are given in parentheses following the title.

Special thanks to Cheryl Lloyd, Melinda Carson, Kathy Sands, and Bill Mayhew.
