Boskone Fandom

You are invited to attend an open party on Saturday, February 15, 1986 at 9:00pm. Bheer and munchies will be provided as well as smoking and non-smoking rooms.

At last year's party, you helped us to explore the bottom of the sea. This year, you can seek out the secret of our lost temple. But where to look? No quest is easy, but the rewards can be great. Think about where to find information at Boskone 23, and start your journey there.
