## Program

More than 100 writers, fans, editors, publishers, artists, and scientists are involved with our program of panel discussions, presentations, hands-on demonstrations, kaffeeklatsches (small group discussions with the author of your choice), concerts, and author readings and signings. We explore the strange worlds of science fiction, fantasy, science fact, education, fandom, and countless other topics.

## Children's Program

Children accompanying their parents to Boskone will find lots to do in the magical domain of the Dragonslair (hands-on demonstrations, storytelling, arts and crafts, and other structured activities for those 7-12). For more information contact [kids@boskone.org](mailto:kids@boskone.org).

## Special Events

Tour the **Art Show** and meet our very special guests during Friday evening's **open reception**. Conduct new research at the unique **Death to Peeps Funfest**. Join us for our Saturday night gala, including the **Skylark & Gaughan Awards** and other presentations. Enjoy the **concert by our featured filker**. Our guests of honor will be featured on some of our outstanding programming. We'll have lots more to fascinate you!

## Convention Suite

Enjoy the comfort of our hospitality area, located next to the Art Show and Hucksters' Room – we build a cozy living room, right in the middle of the convention's busiest spaces. Stop by for a soft drink, a comfy chair, and a bit of a chat.

## Hucksters' Room

New, used, and out-of-print science fiction, fantasy, and related books are the focus of the Boskone Hucksters' Room, but you can also find jewelry, sculpture, artwork, games, cards, music, and other budget-busting toys.

## Art Show

Dean Morrissey, whose beautifully whimsical views of the world grace this flyer (and many books, museums, and private collections), is this year's Official Artist. See his work – and more than 50 other artists' offerings – as you stroll the Art Show, join a special docent tour, or watch artists in individual demonstrations or the mad scramble of "Dueling Easels."

## Gaming

Whether you want to sail the solar system, explore a dungeon, or rock out to a sold out crowd, our game room has something for everyone. Stop in for a quick demo or claim a spot for a long game; either way you are sure to find a game for you.
