Dear George,

Having received your three dollars for Boskone membership - WELCOME. This is a fun convention - so let's have fun people - OK? NESFA and the Boskone Committee all say hello, and now that you've joined we'll spring it on you.

This con is going to be run by a group of NESFAns - and that means we'll do as much as possible to enlighten you - the tricky way. You're going to have a fun and interesting time at our con - ours and now, yours. Together we'll pull it off and everyone will gain at least one week-end of enlightenment.

Enjoy, Enjoy,

Jill Trueman
