SPECIAL MEETINGS

The following special meetings have been scheduled at Boskone 11. Because of the limited space and serious intent of these meetings, we ask that only people truly interested attend.

Jewish Sabbath Service	Friday 6PM-7PM	EXETER B
SF Music Night	Friday 9PM-Midnight	KENT Room
SF Reading Aloud	Saturday 3PM-5:30PM	KENT Room

The KENT Room will be available as a lounge except during the last two special meetings listed above and one seminar listed on the other side of this sheet.

SATURDAY

Engines for Starflight, by Dr. Robert Enzmann, will be a talk given from 6PM to 7PM in the Commonwealth Room. This may not have been clear from the Program Book.

For the convenience of attendees, it has been arranged that members of Boskone 11 can, by presenting their membership card, get a discount during the convention at the Berenson Liquor Mart in the Prudential Plaza adjoining the hotel.
