Notices and that sort of stuff:

1. As usual, complaints and do forth in the committee room. Registration is there today too. \$3 to noon. \$2 ~~xx~~ afterwards.
2. LATE CHECK OUTS: because of the AAAS coming in, they are very limited. Try, but we don't have much hope. BUT, the hotel has a check room, 35c/~~xxxx~~ bag, on the first floor. And exeter is open for stuff that you feel doesn't need watching. But AT YOUR OWN RISK
3. The evening session, for those who remain, will reconvene in the Commonwealth room at 8. We'll have Dark Star, the Puppet Show, Costume Party pictures, and anything else that fits our fancy.
4. HELPERS (with our without buttons): There is a freebee for you at the committree room, if you helped out a few hours on the con. People with committee ribbons and helper buttons can just pick it up, people without should get a note from the committee person you helped.
5. Program change: at one pm, in Republic, Aussiecon slide show with Rusty Hevelin.
6. Art show pickup and pay is at 2-5 pm in Fairfax. Some helpers are needed -- check there. Instructions are there. Unsold art work after 2 o'clock can be bought by anybody willing to pay the minimum bid. Bid sheet bids close at 2. And there's an auction at noon in Republic.
7. Still seems to be a professional pickpocket somewhere. Be careful
