

A Message from the Noreascon II Committee

Dear Boskone Member,

In case you haven't heard the news, we're happy to report that the Committee for Boston in 1980 won the site selection voting at Iguanacon. This means that the 1980 World Science Fiction Convention, Noreascon II, will be held here in Boston, at the Sheraton-Boston Hotel and the Hynes Auditorium, from August 29 - September 1, 1980.

The Noreascon II Committee would like to thank all of you who helped us to win the bid by making donations, voting in the site selection, and ~~participating~~ ~~people's~~ ~~aid~~ helping us campaign. We really appreciate your support.

If you plan to attend the 1980 Worldcon and aren't yet a member, we'd like to encourage you to join soon, since the rates will go up on July 1, 1979. The current rates are given on the form below, which you can fill out and either mail to us with your check at the address given, or turn in at the NESFA table here in the Boskone hucksters' room. We will mail address confirmation and other materials to you after the Boskone. (The NESFA table also has copies of our Progress Report Zero, which will give you more information about the Worldcon.)

Thank you for your support, and we hope to see you in 1980.
