COMMLINK #1

Boskone 18
Committee Newsletter

WELCOME!

Thank you all very, very much for helping us make Boskone 18 possible. Now, for a few brief words from your puppet Master:

- a) Please stop by Hampton fairly often and check your mailboxes.
- b) The Committee Den is room 631-5 and is stocked with nibbles. (Cheese, crackers, etc.) and drinkables. This room is, of course, our private place, and is for green ribbons only. (Black ribbons - our guests- have been invited to drop by).
- c) Our room pick-up this year is anomalous.
- c) Our room pick-up in the hotel this year is anomalous. We have many more 1 & 2 room suites this year and thus we are not blocked as firmly as we (and the hotel) would like. The hotel will be giving us a list of people and room assignments to look at and identify potentially noisy parties (If we recognize names.). Our block is supposed to be floors 6 - 10

I

I am attempting to arrange dinner for those of the committee who can make it with our guests, Tanith Lee and Don Maitz. There will be further info at HQ when I know more.

Gail

Greetings from the HQ. We are here to help you find each other. There are several things that you can do to make our jobs easier.

First all messages that you have for each other should go thru us, so save yourselves a lot of time, and let your fingers do the walking. Our numbers are:

4237, and 4288 for messages,
4286 for the office.

Check your mailboxes.

PLEASE DO US ALL A FAVOR! We are the people who talk to the hotel. They have every right to ignore your personal requests, because they don't know who you are. They do know, however, who we are. Messages are of two varieties: Essential, time critical; and non-time critical. You will be asked which flavor of message you are trying to send. Rest assured that we will get back to you with the results as quickly as possible. Glamour, Sparkle, Charm, and Skunk at your service.

Also, please, the Office is not the Committee suite. Please do not attempt to use it as such; since it makes all of our jobs that much more difficult. We wish you a quiet, successful con. -- Kath
