ALL FILMS WILL BE SHOWN IN THE
REPUBLIC BALLROOM, ACROSS FROM THE
GRAND BALLROOM.

WE THANK YOU FOR NOT SMOKING DUE TO
THE CROWDS AND THE LAWS OF THE
COMMONWEALTH.

Extra note: Bambi Meets Godzilla will be shown at mostly random times throughout the program. This is a mild protest by the film crew, who for the first time, thought Bambi should take a rest this year. The rest of the committee disagreed. The least we can do is to deschedule it. Thank you for your indulgence.

Preplanning by Bill Carton, Craig Mathieson, and Nick Nussbaum.
At-the-Con projection help by the usual horde of volunteers.

Remember to set your watches by the OFFICIAL CLOCK near the screen.

FILM NOTES

FEATURES

STAR TREK - Years in the making, buncha bucks spent on never-to-be-seen effects, a spacecraft from the Earth's future runs into an old TV plot or two.

NOSFERATU - Werner Herzog's beautiful remake of the original vampire movie. It features Klaus Kinski in a marvelous portrayal of the Prince of the Undead.

ATTACK OF THE KILLER TOMATOES - Hilarious parody of the 50s atomic mutation films. Vicious giant tomatoes appear in San Diego, and are they mad! A Boskone Turkey!

SINBAD & THE EYE OF THE TIGER - A Harryhausen epic in the Sinbad series, with swordplay to amaze the kiddies, and tasteful heaving busoms for the adults.

LOVE AT FIRST BITE - George Hamilton this time, as Drac, with Susan St. James. Transplanted to New York, he encounters the disco scene in this witty comedy.

CLOSE ENCOUNTERS OF THE THIRD KIND (Special Edition) - Steven Spielberg's vision of the near future, as recently re-released, with extra ending footage.

SILENT RUNNING - With friends like Bruce Dern, the trees of olde Earth don't have a chance! Doug Trumbull's doing his best (?) to suspend our disbelief. Real SciFi.

THE LATHE OF HEAVEN - Sure to be nominated for a Hugo this year, this is an excellent adaptation of LeGuin's novel, about the man whose dreams control reality.

PLAN 9 FROM OUTER SPACE - THE Worst science fiction film ever made. 'Nuff said!

THE TIME MACHINE - Shown here because we meant to have it at that other Con in September, but the distributor messed up. H.G.Wells' story / George Pal film.

THE MUPPET MOVIE - Miss Piggy, Kermit the Frog, and the other Muppets star.

MUSIC PROGRAM

Between films we will have a variety of recorded music. Some of it will be from film soundtracks, some will be Baroque chamber music, some of it will be just plain strange. The projectionists should be able to tell you the titles.
