

## Committee Packet

Welcome to BOSKONE. This flyer contains the information you'll need while working on the convention at the Park Plaza.

Operations - Our basic rule is: Call Ops when you need to, don't call when you don't need to. For example, call People Mover directly if you need a warm body. Call Logistics if you need things moved. Call Information if you need information about scheduled events at the con.

Call Operations (dial 7400) when:

- o You need to reach another committee member and cannot find him/her yourself.
- o You need something related to the hotel's function rooms (water setups, chairs moved, partitions opened, cleaning needed, etc.)
- o You see an emergency (fire, medical, etc.) or a fight.
- o You have some other extraordinary need.

Mailboxes - If you have a mailbox at Operations, check it frequently. Low urgency messages will simply be put in your box. It will also contain the daily newsletter, and other committee related information. We don't deliver mail!

Phones - The Park Plaza's main outside number is 426-2000.

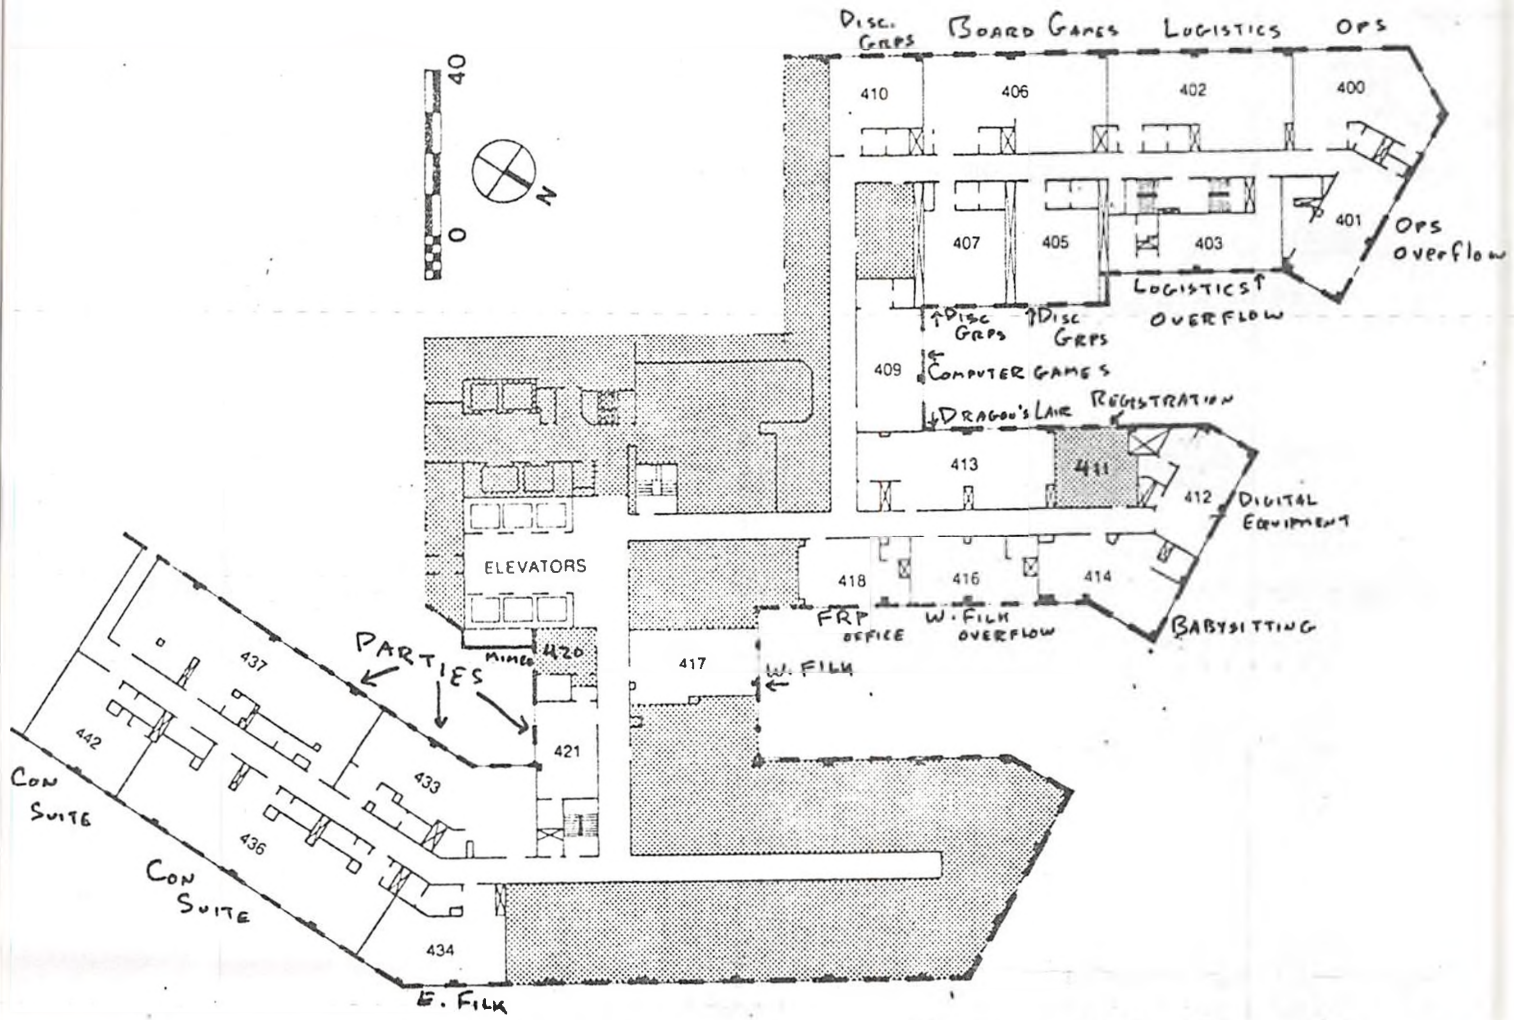

All function rooms have at least one phone with a 3-digit phone number. To call another function room whose number starts with '2' or '3' (including Terrace and Mezzanine rooms), simply dial the 3 digits. To call a 4th floor room, guest room, or other extension whose number starts with '4' through '9', dial a '7' first. (E.g., to call Operations in room 400, dial "7400".)

In this information packet, there is a list of phone numbers within the hotel. Use them when possible.

Den - The committee den is in room 549. It is for R&R for committee members (and some special guests) only!
