OK, Campers, it's time for . J A L T E 2

THE SATURDAY MORNING BOSKONE COMMITTEE NEWSLETTER.

Reports from the trenches:

1. Please be quiet to/from the den. If you make noise, you're only waking the rest of us.
2. Keep people (and noise) off floors 10+. The hotel has done a relatively wonderful job of blocking, and they deserve our cooperation. Be active about this -- nice, but get people to quiet down.
3. There were significant problems with destructive fans last night -- typical appearance was young, male, dressed somewhat punk. They have vandalized rooms, elevators, and mundane areas. Please be on the lookout for anyone doing this, and report any sightings to Operations immediately. *We've got to get them under control.* (from Anton at 4 am)
4. Too many people. If you can spare a program book, turn it in at Information. And, please, LET'S BE CAREFUL OUT THERE -- and help each other out. If you have spare energy, offer it to someplace that needs it.
5. TWO MEALS MINIMUM. Have you had yours today?
6. FIVE HOURS SLEEP MINIMUM. Have you had yours today?
7. Registration is beginning to see the arrival (return) of the fan club (jedi). Do everything you can to keep things cool and calm.
8. NESFA table had excellent sales last night. Registration is coining money. And if we had 50 more staff and double the function space, we'd be in great shape. As it is, we're all in this together; make it fun and make it work right.
9. Otherwise known as,

There are no *CRISES* to get *EXCITED* about.

There are only problems to be solved COOPERATIVELY.

So much for the philosophy and attitudes. Use the DEN, and if you flake out, that's OK -- somebody has to get back together for Sunday.

10. Check in at Operations fairly frequently to see what you can do.
Send volunteers to People Mover
Keep your eyes open.
And wear your bow tie.
- 3a. Many of the people ejected last night were local punks, NOT fans. Some may have been our people, but most not. Thought you'd like to know.
11. THE BAD NEWS: In case you didn't hear, the Star Wars fan club sent out 3000 post-cards to New England members about the Return presentation. With little other information. They're starting to show up.
THE GOOD NEWS: For those uninterested in the rest of the convention, they should be sent to the Con Suite (436/442) to meet with Maureen Garress of the Fan Club and go to the presentation. They get that free, anything else full rate. They must be at the Con Suite by 2:30, and before wouldn't help them any.

1. See map below to the debriefing, Sunday at 2 pm at The Belmont Lions Club. Adequate parking, Bus 74 (Belmont Center) from Harvard/Brattle or Johnston gate in Harvard Square. Hourly at 1:40, 2:40, ...
2. There will be a soda run today.
3. Dead dogs in den tonight and tomorrow night, for those with Den privileges. Also: con suite tonight, 1164 tonight, MITSES in 800 (see Helmuth) tonight.
4. Punday is after teardown. Feel free to go to Stanbro at 8pm or beyond and conscript volunteers if you need them. (You might try to check with people mover first).
5. Return cans to Logistics. Talk to Logistics early to schedule pickups and cleanouts from ~~us~~ your areas.
6. Last night was comparatively quiet. Tonight, be tough on hall noise, since the hotel is no longer ours.
7. Thanks to you all. We made it through another one, or will soon.
8. WHEN YOU LEAVE YOUR ROOMS, either lock doors or make sure operations locks them. We've had a bunch of rooms left open. This is a mistake.
