# BOSKONE 43 IN BRIEF

*Do space cowboys dream of atomic cattle?*

We explore the strange worlds of science fiction, fantasy, science fact, education, fandom, and countless other topics.

## CHILDREN'S PROGRAM

Children accompanying their parents to Boskone will find lots to do in either Dragonslair (hands-on demonstrations, story-telling, and structured activities for those 7-12) or Space Cadets (pre-school activities for kids 2½-6). For more information contact [kids@boskone.org](mailto:kids@boskone.org).

## SPECIAL EVENTS

Tour the **Art Show** during Friday evening's **open reception**. Join in the sheer whackiness of **Space Cowboys on Hawaiian Holiday** on Saturday night (including the **Skylark & Gaughan Awards** and other presentations). Enjoy the **concert by our featured filker**. We'll have lots more to fascinate you!

## ART SHOW

Donato Giancola, whose amazing images are featured on this flyer, is this year's Official Artist. See his work – and more than 50 other artists' offerings – as you stroll the Art Show, join a special docent tour, or watch artists in the mad scramble of "Dueling Easels."

## HUCKSTERS' ROOM

New, used, and out-of-print science fiction, fantasy, and related books are the focus of the Boskone Hucksters' Room, but you can also find jewelry, sculpture, artwork, games, cards, and other budget-busting toys.
