# Boskone 44 in Brief

February 16-18, 2007

We explore the strange worlds of science fiction, fantasy, science fact, education, fandom, and countless other topics.

## Children's Program

Children accompanying their parents to Boskone will find lots to do in either Dragonslair (hands-on demonstrations, story-telling, and structured activities for those 7-12) or Space Cadets (pre-school activities for kids 2½-6). For more information contact [kids@boskone.org](mailto:kids@boskone.org).

## Special Events

Tour the **Art Show** during Friday evening's **open reception**. Join in the unbridled silliness of the **Great Tribble Hunt** and other amusements on Saturday night (including the **Skylark & Gaughan Awards** and other presentations). Enjoy the **concert by our featured filkers**. We'll have lots more to fascinate you!

## Art Show

Gary Lippincott, whose beautifully ethereal images are featured on this flyer, is this year's Official Artist. See and buy his work – and more than 50 other artists' offerings – as you stroll the Art Show, join a special docent tour, or watch artists in the mad scramble of "Dueling Easels."

## Hucksters' Room

New, used, and out-of-print science fiction, fantasy, and related books are the focus of the Boskone Hucksters' Room, but you can also find jewelry, sculpture, artwork, games, cards, and other budget-busting toys.

## Anime & Video Program

Our anime sempei have been working hard since last Boskone devising a schedule of unusual and entertaining anime and video features you are not likely to see on cable.

Sail with us to Boskone's new hotel!
