

# CONCAVE 17

(UPPERSOUTHCLAVE XXVI)

FEBRUARY 23-25, 1996 - PARK CITY, KY

GUEST OF HONOR: BOB ROEHM

REPEAT TO YOURSELF: "It's an SF con, I should really just relax."

**CONCAVE 17 PROMISES TO BE, WELL, DIFFERENT.** On Sunday afternoon of Concave 16, I began taking hotel reservations. By 2:25 p.m. all of the rooms in the Park Mammoth Resort were taken. Yes, you read that correctly. The hotel is already filled. Due to staff limitations, and our love of the PMR, we are not relocating to a bigger hotel. The only difference is that we will be running shuttle service to other hotels for those who didn't catch me on Sunday afternoon. Information for the nearby Parkland Hotel is listed below. Even if you don't have a room at the Park Mammoth everyone is still welcome. You can tell fannish generations to come that you were at the first SF con to completely fill the hotel before the dead dog party for the previous year even got started!

If you are not familiar with Concave, it is a science fiction relaxacon featuring our famous full-contact consuite, art show, huxter room, video program, gaming rooms, and buffet banquet. Our hotel, the Park Mammoth Resort is located atop the rolling hills of Kentucky's cave region. A locator map along with more information on the huxter room, art show, and gaming program in on the back.
