"Con Cave Two"

A relaxicon

March 13-15, 1981
BOWLING GREEN, KY
GUESTS OF HONOR:

KEN AND LOU MOORE
of Nashville Science Fiction Fandom

The fannish adventure continues in Bowling Green, Kentucky's cave region with the eleventh annual Upper South Science Fiction Conclave. This will be the second convention held in Bowling Green as Con Cave.

Our plan for this convention is not to have a heavy program, since the USC is traditionally a relaxacon. We will strive to have a partylike atmosphere with some popular fannish activities. There will be a huxter room, art show and auction, banquet, costume party, and wargaming. Films will be shown during the daytime dull-drums, and the well-stocked con suite will be open 24 hours a day for anything legal--including (Ghu forbid) talking about Science Fiction. We hope that anyone from neofan to tired old BNF will enjoy our convention.

CON MEMBERSHIP \$5. till March 1st, 1981
\$8.50 thereafter.
