CONCERN

This year we welcome Drew Curtis (and Heather, of course), the creator and CEO of **FARK.COM**, the Internet's greatest portal to all that's cool in the world! Here's all of the information you need to get you into Kentucky's longest running Science-Fiction Convention! The Best Western Motor Inn has changed names, possibly ownership, and is now a Baymont Inn. We do not have a contract at the moment with the new management, but we fully expect to work it out soon. Please be on the lookout for updates on the hotel, and we will communicate any news as soon as we have it. Just return the form below with your payment for pre-registration. Concave 34 promises to be filled right up to the brim with the fun mix that makes this Relax-a-Con such a fan favorite! Come experience the Magic and the History that is **CONCAVE!**

### WHAT IS CONCAVE?

Concave is a relaxed weekend of socializing for science fiction fans of all ages. Our goal is to continue the fannish traditions of bringing together a diverse group of people, connected through an interest in SF and all its trappings, stand back, and see what happens. We try to introduce new generations to the family of SF fandom while honoring some of the people who have contributed greatly to this lively sub-culture. Concave is **NOT** about panel discussions, workshops, and meeting pros, but it is a great way to meet others who share your interest in the fantastic! In addition Concave is a **non-profit** corporation and donates to Caveland Area causes and charities.
