What is Concave?

Kentucky's Longest Running Science-Fiction Convention is not your average Convention. Each year during the last full weekend in February we create a Science-Fiction Fan Utopia. Our all volunteer staff is made up of our members. We are a not for profit convention and no one is paid. This "Relax-a-Con" is not about celebrity guests, or panels. We are about having a great weekend with like-minded folks from Science-Fiction and Fantasy Fandom. There are themed parties, an art show, vendors, a world class hospitality suite, and our house band FIVE YEAR MISSION (<http://fiveyearmission.net>) performs on Saturday Night after the Art Auction. Membership is required for access to the Convention Hotel and includes access to our ConSuite; with all you care to eat and drink.
