But Wait There's More!

Wanna Play Games? We Gotta Gaming!

We will be having two role playing game tournaments this weekend. There will be a two round A D&D tournament and a one round Chill game. Space is also available in the game room (room 234) for open gaming. Cards and Trivial Pursuits will also be available in the consuite. Play until your hit points run out.

Wanna Stuffa Uface? We Gotta Banquet!

The Concave banquet will be held at 3:00 p.m. on Saturday afternoon. The price is only \$10.00 per person for all you can eat. This price will not go up or down during the weekend. Banquet tickets will be sold until the close of registration or when they run out, whichever comes first. The menu will be:

Baked Chicken & Dressing
BBQ Spare Ribs
Broccoli Casserole
Cream Style Corn
Au Gratin Potatos
Fruit Cobler
Salad Bar
Beverage

This is one of the best food deals in fandom. Don't miss it!

YUM!

Wanna Horse Around? We Gotta Horses!

For the first time in Concave history there is a possibility that the riding stables of the Park Mammoth Resort may be open this weekend. If the mild weather from midweek holds through the weekend then the horses will be available. Check with the hotel desk for details and prices.

Wanna Halley's Comet? No Comet!

Our astronomical guest from last year has refused to attend this year's Concave. There is, however, an even rarer and more exciting astronomical event happening even as we speak. The first supernova in 400 years to be visible to the naked eye is growing in brightness every night! Too bad that it's in the Southern Hemisphere and can't be seen from here. There will still be a sky overhead during the con, and I hope that you will get a chance to enjoy it. A midnight stroll to the Tilt House seems to be a favorite diversion from all of the hectic programming in the Barn Room.
