

**CORFLU 13 PROGRESS REPORT #1  
NASHVILLE, TENNESSEE  
MARCH 15-17, 1996**

**It's official!** Corflu comes to Music City in March, 1996. If you've never been to Nashville, you'll be amazed at what the city has to offer the discerning fan.

For starters, the convention will be held at the **Clubhouse Inn**, a pleasant small hotel with big hotel amenities located 8 blocks from the riverfront and a short bus ride from the university district. Rooms are \$69 per night for a single, \$79 for a double, \$99 for a single suite and \$109 for a double suite. Your room rate includes a full breakfast buffet every day plus four (4) free drinks per person during Happy Hour each evening. There is free parking for all guests. The Nashville Trolley, a free local shuttle which runs throughout the day, stops right in front of the hotel. **The weather will be mild, around 60F.**

**Rooms are available on Thursday, March 14th through Sunday, March 17th** for those who like to come early and stay late. You will need to contact the Clubhouse Inn directly for reservations as the toll-free number for the chain does not handle group bookings. Phone **615-244-0150**. Be sure to state it is for Corflu 13 as the number of rooms booked affects our costs. Please make your reservations by February 14, 1996.

**American Airlines** has the most daily flights in and out of Nashville but TWA, Continental, Delta, Northwest, USAir, Southwest, and United also fly here. A convention rate on American is currently being negotiated and will be 5% off the lowest fare.

Programming is planned for Friday night, Saturday after 12:00pm, and Sunday morning. **There will be the traditional drawing of the GoH's name out of a hat** on Friday night at the Opening Night party, a softball game (held at Centennial Park where Nashville's very own full scale replica of the Parthenon is located), the Sunday banquet (held early so that everyone can catch their planes home), and much festive hoopla.

Day trips to Mammoth Caves, Opryland, Radnor Lake, and several other sites of interest can be arranged. **Downtown** offers lots of small shops, restaurants, two brew pubs, nightclubs for dancing, and the Ryman Auditorium in which the Grand Ol' Opry originated. The state capitol, the performing arts center and an enclosed mall are nearby.

The **convention committee** consists of myself and several terrific volunteers, notably **Debbie Notkin and Alan Bostick** (Hospitality), **Janice Murray** (Faan Awards), **Bill Bodden** (Head Coach), **David Bratman, Nigel Rowe and Vicki Rosenzweig**, plus many others who have generously offered their services at the convention. The previous Corflu committee has given me a great deal of help, for which I thank them. Thanks to **rich brown** for alerting me to the opportunity to bid for this. Special projects: **Robert Lichtman** is editing **Fanthology '92** with Corflu's support and **Dan Steffan** will be designing the con t-shirt!

Memberships are **\$40 attending, \$10 supporting**. This year you may donate an additional \$1 to have your name removed from the Guest of Honor list if you aren't fond of making speeches. Please make checks payable to Lucy Huntzinger.
