Sandpiper/Beacon Motel, Panama City Beach, Florida; reservations phone #: 1-800-488-8828

\$45 Active, \$15 Supporting. Courtyard rooms \$72.50, Gulfside rooms \$93.50 Three swimming pools, one indoors and heated. White sand. The Gulf of Mexico. One b-i-g meeting room. Spread the word!

There are reasons...vindictions...explanations...*excuses*, to be precise. Poor health, too much company, severe medical problems with family and friends, and a lobotomy for our computer...but all of it has been exacerbated by a long-time personal disability, better known as procrastinationitis.

When we were first awarded the '99 Corflu, I was on the web so much that some people accused me of spamming them. Then computer problems started sprouting (leading eventually, to the aforementioned lobotomy) and my aforementioned personal disability began to act up.

Because of all the above, only a few memberships have trickled in -- and the con motel wants a deposit of half the cost of the estimated rooms by December 15th!

Yeah, I could have been a little less bunt about this. Could have just put out a gem of a Progress report that would spontaneously generate a tidal wave of memberships...but after thinking it over, I decided I didn't have the skill to do it on my own, and lacked the time to solicit material from those more capable. Next issue, we'll probably need a full page to list all members. While consonants are nice, vowels are even better.
