Two Great Conventions
Together Again!

MidSouthCon is a Science, Science Fiction, Fantasy and Gaming Convention held annually in Memphis TN in late March. We have wonderful guests, multi-track programming, 24hr con suite and video rooms, an art show masquerade, readings, autographs, a dealer's room, SCA demonstrations and events, gaming, LAN party and a lot of other fun stuff. This time around we are proud to host DeepSouthCon - the south's premier regional Science Fiction Convention, held every year in a different southern city. Two great conventions together again!

Programming

We will have over 80 hours of programming scheduled in three tracks over the weekend. Panels on Science, Education, Space, Gaming, and Lord of the Rings. Author and publisher readings of works in progress, Signings, and much more.

Art Show

The Midsouthcon Art Show has dozens of professional and amateur participants from around the country. It is simply one of the best. For more information, please e-mail us at artshow@midsouthcon.org

Masquerade

The judged costume contest is a staple of any Con, and we also have cash prizes and hall costume awards.

Video Room

Come see some of your favorite genre films and shorts in our video room. From classics like the midnight showing of "The Rocky Horror Picture Show," to independent films and newer releases. Once again we have a separate room for Anime.
