

SATYRDAY SATYRICON NEWS

HOTEL REGULATIONS. . .

expressly forbid throwing any paraphanelia from the balconies. Anyone spotted by security will be arrested. However, they do make great places to page your friends and check out the action below. We also request that guests please keep trash in the receptacles provided throughout the building.

PROGRAM BOOKLETS. . .

due to publishing costs, are limited to one each for guests who register for the full convention (WHITE BADGES). We have prepared a schedule of events for one-day registrants (ORANGE BADGES ON SATYRDAY) that will provide necessary information. The television monitors throughout the hotel will provide up-to-the-minute schedule changes if you cannot locate an event today.

VIDEO PROGRAM CHANGES. . .

due to machine difficulties, we have been forced to modify our Satyrday afternoon schedule as follows:

- 1:00p.m. DR. WHO: "Terror of the Autons"
- 3:00p.m. THE AVENGERS: "The Cybernauts"
- 4:00p.m. THE NEW AVENGERS: "The Last of the Cybernauts?"
- 5:00p.m. BLAKE'S 7: #1--"The Way Back"
- 6:00p.m. BLAKE'S 7: #2--"Spacefall"

A special video promo of CUJO, based on Stephen King's novel of the same name, will be shown after main features in the video room. An all night movie added to the Sunday early a.m. schedule is "Night Gallery."

PANEL SCHEDULE CHANGE. . .

"Vampires! Werewolves! Ghosts!" starring KING, ST%AUB, et al, will be at 2:00p.m., not at 3:00p.m. as originally mentioned in some pre-convention publicity information.

BHEER POLICY. . .

We request that all YELLOW BADGE (Under 19) registrants please refrain from getting any alcoholic beverages in the con suite, located in Room 902. The staff will be checking badges.

GAME ROOM. . .

Is scheduled to remain open 24 hours. The con staff will close the room in the wee a.m. hours, and reopen at 8a.m. Sunday, if no gameplayers can last the night.

AUTOGRAPHING

As many of you are aware, the guests of this convention have been very amenable to people looking for autographs. Since these people do hope to have workable hands to continue their writing careers after this gala weekend is over, please give them a little free time and privacy. For example, it is considered gauche to ask for autographs in restrooms, during meals, or to get a guest's attention by climbing over balconies to get to his or her room. Thanks!

MASQUERADE

The Satyricon Masquerade will be held tonight at midnight (and if you're entering this, don't miss the 11:00 prejudging -- and if you haven't entered yet, get those entries in by 6:00! You can get further info in the corner of the registration area.) There are lotsa neat goodies for prizes, including a copy of Earthsong donated by the author, Sharon Webb; a copy of Battlefield Earth by L. Ron Hubbard, plus a cassette of the book's soundtrack (and no, it's not a tape of someone turning pages), donated by Author's Services; and first, second, and third place prizes donated by Lucas Enterprises. If you plan on bribing judges, the people you want to look out for are Charles Grant, Doug Chaffee, Guy Lillian, John M. Ford, and Chelsea Quinn Yarbro. Last, if you want to be on teevee, be in the hotel lobby from 8:00 to 10:00 tonight, where P.M. Magazine will be filming. If press journalism is more your style, be in the lobby from 6:00 to 8:00 where the News Sentinel will be photographing.

ROOM PARTIES

Party animals, tonight is the night you'll wish you could be in more than one place at the same time. In an attempt to offer you more fun than any human being should be allowed to have, we have parties breaking out all over! Here's a list that's up-to-date as of press-time. If you think a party is happening and we don't list it, check the con suite, hallways, elevators, etc., for notices. Incidentally, if twelve people are standing in one place, laughing a lot, and otherwise festively amusing themselves, you may be witnessing the birth of an impromptu party, so join in! Here's what we have:

ASFiCon Thank-You Party: Saturday, time and place TBA.

Atlanta Fantasy Fair: Saturday, room 345, 9-12.

Birmingham DSC Bid Party: Saturday, 10:00, place TBA.

Chattanooga DSC Bid Party: 10:00, Room 321.

Philly in '86 Bid Party: Saturday, 9:30, Room 415.

RUMOR AND INNUENDO GOES OUT THE WINDOW

There's a hot report out there that the Digbees may be performing again tonight; if you missed them last night, you missed a top-notch performance, so let's hope that we have another set of frenzy and frolic. Check with committee people in the know to see if it comes off.

J

Julie Ecklar will be performing during tonight's masquerade intermission with a special song based on Firestarter. It should be matchless.

Dealers are waiting on your money! They're looking for you between 10:00 and 6:00 today and from 10:00 to 2:00 pm tomorrow. And while they like your presence and your money, they'd like you to keep your food, drinks, and smokes outside, please!

At presstime, Satyricon registration stood at 708. Someone tell them all to please sit down.
