Panel Title (Alphabetical Order)	Description	Panelists
1632 Ways Eric Flint Changed Publishing	It is almost impossible to count all the ways Eric Flint impacted publishing. From sheparding new writers, to creating shared universes for us to play in, let's recognize his contributions here.	Toni Weisskopf (m) Jody Lynn Nye
60 Second Pitch Meetings	Hey! Wanna sell a novel? Practice your perfect pitch to our publishing professionals.	Toni Weisskopf Bill Fawcett
An Hour With Bill Plott		Bill Plott Stephanie Osborne (m)
An Hour With Jody Lynn Nye		Jody Lynn Nye Bill Fawcett (m)
Art Or Engineering	Form or function? Why not both?	Jim Beall Sam R Kennedy (m) Les Johnson
Baen Traveling Roadshow	A staple of science fiction conventions, Baen is here to preview their upcoming catalogue.	Toni Weisskopf Sam R Kennedy Les Johnson
Billionaires in spaaaaaaace!	Who benefits when billionaires control the rocket ships?	Les Johnson Stephanie Osborne Toni Weisskopf (m)
Can an AI Create Art?	Is AI art "real" art? A passing fad? A threat to professional illustrators? Or is it another tool in the toolbox?	Sam R Kennedy (m)
DeepSouthCon Business Meeting & Site Selection	The annual business meeting of DeepSouthCon. Participation by any member of the convention is invited.	Mike Kennedy Sam Smith
DeepSouthCon Guest of Honor Speeches & Awards	The annual presentation of the Phoenix and Rebel Awards.	Guests of Honor
First Con Tact Protocols	First DeepSouthCon? First time at any fan event? Come here and get the lay of the land.	Jennifer Liang
Fun with Fan Funds!	Fan funds help well known fans visit far flung conventions. Our veterans will discuss the benefits of fan funds and how to get involved.	Norman Cates (m) Curt Phillips Naomi Fisher Pat Molloy
How to fanzine...in the future!	Fanzines seem like a quaint artifact of the 1900s, yet they are still going strong. How have they adapted to new technologies and where are they headed next?	Guy Lillian Curt Phillips (m) Bill Plott
Interstellar Travel - Separating the Fact From Fiction	Solo presentation	Les Johnson
Jody Lynn Nye Signing		Jody Lynn Nye
Kandyklatche	Come have some sweets while meeting the guest!	
Predicting DeepSouthCon 70	If the good Lord's willing and the creek don't rise, we should be back in 2032 for DeepSouthCon 70. What might we see at this august event?	Jennifer Liang (m) Bill Plott Kevin Davis Richard Groller
Radium Girls	Science Guest Jim Beall describes the trials and tribulations of the "Radium Girls".	Jim Beall
Round Table with Norman Cates	Join us for a free flowing and dynamic conversation hosted by our Toastmaster. This is a drop in or drop out event.	Norman Cates
Samanda B Juede Memorial	Legendary fan Samanda B Juede passed away this year. A pioneer of accessibility in fandom, we discuss her legacy here.	Marcia Illingworth Sam Smith
Southern Fandom Confederation Business Meeting	The 53rd annual meeting of the SFC club. Open to observers as well as dues paying members.	Randy Cleary
Stump the Scientist	Fictional challenges require fictional solutions. Let's see what our STEM professionals come up with.	Jim Beall Les Johnson Stephanie Osborne Richard Groller (m)
The Real Government Contractors of Huntsville AL	All the gossip not covered by their NDA.	Billy Todd (m) Les Johnson
The South in Spec Fic	"No good Southern fiction is complete without a Dead Mule." Okay, but what if the mule is a rocket ship? Or a transdimensional being? What does the South look like in speculative fiction?	Jody Lynn Nye Gregory Benford Jennifer Liang (m)
Visual Effects in Movies	Our Master of Ceremonies discusses the visual effects used in the movies he's been involved with including Lord of the Rings.	Norman Cates
What's New With NASA?	The James Webb telescope, probes to distant worlds, and even a new Starliner. What else is going on up there?	Les Johnson
