

# DISCLAVE '79 POCKET PROGRAM

Hello, and welcome to DISCLAVE '79. This is your pocket program. Before we get on to the schedule itself, there are a few things that need to be mentioned. All central committee persons will be distinguished by red ribbons worn under their badges. All attending HUGO AWARDS NOMINEES will be wearing blue ribbons. Your help is earnestly requested by Rosa Oliver, if you would like to be a gofer, look for the giant gopher at Registration. Registration will be open at these times and places: FRI. 3pm to 10pm at the Esplanade (near main desk), and approx. 10pm to midnite in the con suite (C-640); SAT. 10am to 5pm Esplanade; SUN. 10am to 3pm Esplanade. The con suite will open around 10pm Friday nite, room C-640; Saturday nite around 9pm. The Madison Room lounge will be open from 6pm Friday till early Monday morning, if you care to lounge or get in on the dungeons and dragons marathon that is planned. The ART SHOW will open on Friday at 5pm, and closes at 11pm, in the Delaware Suite. The HUCKSTERS ROOMS, the Continental, and the Town and Terrace, will open at 3pm, and close at 8pm, on Friday. (NOTE: all Hucksters must clear their wares out of the Continental by 8:00 pm Sunday nite.) FRIDAY nite there will be a HUGE MASQUERADE PARTY, in the Virginia Suite, from 8pm to 11pm. There will be a cash bar, and mucho entertainment supplied by the group "LIGHT", featuring FREFF, FRED KUHN, & other assorted weirdos (like JANET PRATO). Also, don't forget to catch the ZELAZNY PLAYERS, doing selections from our GOH's works, wrapped up in a package called "NINE PIECES OF SLANDER + 3", presented in part Saturday nite at 10:30, and continuing thru the con before each panel. Finally, remember that this schedule is subject to change, so be aware of any notices to that effect on the bulletin boards and at Registration. Have a good time space cadets!

\* Cinemascope \*\*\*genuine TECHNICOLOR IS print

BYOFF is an experiment. In the past convention members have brought films and we have had more films than time to show them so this year we have scheduled a time spot for showing of such films. We'll supply the projectors; you bring the films. A projectionist will be on hand but you may personally run your own prints if you so desire.
