Eastercon 2007 - April 6th to 9th  
58th British National Science Fiction Convention

## Crowne Plaza Hotel, Chester

Following the regrettable cancellation of Convoy, a replacement Eastercon for 2007 has been convened. Contemplation is co-chaired by Chris O'Shea and Fran Dowd and will be held over the Easter Weekend, 2007, at the Crowne Plaza Hotel, Chester.

Harry Payne of Convoy has joined the Contemplation committee to preserve continuity and to pass on the authority to run the Eastercon. The core committee of experienced conrunners also includes Steve Lawson (Membership), John Dowd and Vince Docherty (Finance), Hayley Niuserre (Site Team Lead) and Eddie Cochrane (Operations).

All Convoy Guests of Honour have been invited to attend as guests and to take part in the programme.

The Crowne Plaza Hotel, Trinity Street, Chester, CH1 2BD, is a city centre hotel, with an exit into the central shopping area. The function space is large and all on one level. The hotel will be providing a website to allow you to book online, with a room rate of £85 per room per night for doubles and twins and £75 for singles (which will be in very short supply). There is also an opportunity to upgrade your room for an extra £20 per room per night. We're reserving some rooms for fans with special needs. As there are only 160 rooms in the main hotel, some members will have to stay in the overflow hotels (which are very close by), or take the upgrade rooms. For fairness, we'll announce a date when hotel bookings will start so that everyone can have an equal chance.

Memberships for Contemplation are available now, don't miss out! You can join online or by completing and returning the form overleaf.
