

EERIECON ELEVEN VIDEOS

Once again, EERIECON is proud to present some of the finest motion pictures ever made! Unfortunately, there are also some two dozen others.

Once again, we offer a homage or two followed by 'Nite & Day, All Anime'. Since our Anime is almost entirely sci-fi or fantasy, Friday we will present some old fashion horror (occasionally horrible). Saturday morn is for all ages, yet still mind-numbing rot. Since the Barbara Steele double feature was so popular last year, we got two more! Also, we'll show a pair of made for TV Jules Verne adventures.

Once again, Amine starts Saturday evening. Kauderer-san and Kujawa-san take over the video room early Sunday morning for a more varied Anime fare. If you are not familiar with it, Anime is a stylized Japanese type of animation far different from "The Flintstones" or "Loony Tunes". While some are okay for children, many are not! As most Anime are unrated, we've shown the suggested age levels given by distributors. Still you might find some teen-rated videos to be a bit more violent or sexual than the American ratings. The late-Saturday night Anime is from the Evil One's collection; our lady co-hosts are not old enough to watch that video!

Once again, we try to present items that you wouldn't see on television or in most video stores. We have used mostly DVD to give you the best image and sound possible. Whether these are things you'd want to see and hear clearly is another matter entirely.

Once again, the more adult stuff will be shown only late at night. However, the truly childish can show up at any time! We don't show any explicit films, and please don't bring any into the video room.

Once again, we offer OUR NEVER ENDING SEARCH FOR THE WORST FILM EVER MADE! This year, a triple feature! First, James Earl Jones & Jose Ferrer in "*BLOOD TIDE*", a film they should deny making. Next, the all time worst title "*THEY SAVED HITLER'S BRAIN*". Later, we'll show what may be the most disgusting film ever, the Lloyd Kaufman (Troma) movie of his own autobiography "*TERROR FIRMER*".

Once again, in addition to the carefully crafted, delicately balanced, fine assemblage of scheduled videos; there are several dozen other genre films available if con-goers should vote a film off the island. Majority rules, please. WARNING, any changes to the Anime portion of the schedule may result in certain teenage girls donning their Mobile Battle Suits and ridding the Earth of your sorry carcass.

FRIDAY, APRIL 17-th, 2009

5:00 pm ***BRIDE OF THE GORILLA***
Curt Siodmark's Voodoo tale of a marriage gone wrong.

6:10 pm ***BLOOD TIDE***
#1 of 3 entries in OUR NEVER ENDING SEARCH FOR THE WORST FILM EVER MADE! James Earl Jones and Jose Ferrer in a tale of plundered ruins, hot babes, a deep-sea creature, and, oh yes, sacrificial virgins!

FRIDAY, APRIL 17-th, 2009

- 7:25 pm **THEY SAVED HITLER'S BRAIN!**
But they couldn't save the brains of anyone who watched this triple! This is the extended version of "**MADMAN OF MANDORAS**" and it's #2 of 3 entries in **OUR NEVER ENDING SEARCH FOR THE WORST FILM EVER MADE!**
- 8:55 pm **TERROR CREATURES FROM THE GRAVE**
Our Barbara Steele double feature starts with a lawyer who will settle an estate even if it kills him, or everyone else in the castle.
- 9:20 pm **THE LONG HAIR OF DEATH!**
(I love that title!) Just executing Barbara Steele isn't enough to stop her from taking her bloody revenge! (Did I mention that I love that title!)
- 11:20 pm **HAUNTING DESIRES** ADULT!
A man is found naked and dead with bite marks and a reporter finds the story of a lifetime within an elite nightclub, in this T & A tale with a twist.

SATURDAY, APRIL 18-th, 2009

- 12:15 am **TERROR FIRMER** ADULT!
The final (thankfully) entry in **OUR NEVER ENDING SEARCH FOR THE WORST FILM EVER MADE!** This extended cut gives more T & A as well as Turd & Vomit. It is easily the most sickening film we've ever shown. A low budget film crew is making a serial killer flic, when a real serial killer starts to kill them, which brings up the legal concept of justifiable homicidal!
- 2:15 am **THE CURSE OF KING TUT'S TOMB**
This film is surprisingly good, considering it's a TV rehash of "Mummy", "Raiders", and a dozen other great films; a good plot, action & romance..
- 5:05 am **MERLIN'S APPRENTICE**
Sam Neill returns as the great mage in this TV-sequel about his apprentice.
- 8:10 am **MEE - SHEE: THE WATER GIANT**
Jim Henson's Creature Shop brings an ancient Celtic tale to life.
- 9:15 am **MARCH OF THE WOODEN SOLDIERS**
This 1934 Laurel & Hardy classic has the duo as toy makers out save to the wedding of Little Bo Peep and Tom-Tom, the piper's son.

SATURDAY, APRIL 18-th, 2009

- 11:05 am **TERROR OF TINY TOWN!**
It's really a good fantasy/horror film with a traditional plot using comedy, action and romance to good effect. By the way, it's an all midget cast
- 12:10 pm **YONGARY: MONSTER FROM THE DEEP**
A Korean version of the giant green T-Rex with breath of fire and direct aim at the capital city. It's much more compact, efficient, and cheaply made.
- 1:30 pm **JULES VERNE'S MYSTERIOUS ISLAND**
The aged Captain Nemo (Patrick Stewart) retires. However, his island paradise is filled with monsters, pirates, and madmen. So he fits in!
- 4:20 pm **JOURNEY TO THE CENTER OF THE EARTH**
This Hallmark Channel mini-series takes some liberties; but uses much of Verne's plot in a (low budget, mini-epic) tale of adventure.
- 7:30 pm **JUSTICE LEAGUE: THE NEW FRONTIER**
Our animation section begins with a tale straight out a great Graphic Novel. Imagine Cold War paranoia and superheroes collide, and face an enemy.
- 8:45 pm **PRINCESS MONONOKE** PG 13
NITE & DAY ALL ANIME! Begins with a beautiful tale of man versus Nature, as a princess raised by wolves tries to save a forest.
- 11:00 pm **NYMPHS OF THE STRATOSPHERE** ADULT 1
Two episodes of a rather weak T&A video series, but on the other hand it has beautiful alien nymphomaniacs, so it can't be all bad..

SUNDAY, APRIL 19-th, 2009

- 12:45 am **ERGO PROXY** 16 & UP
In a utopian future, humans and android servants live together peacefully until the murders start. Follow a lady cop and her 'Igggy' to solve the case.
- 2:25 am **X** 16 & UP
The world is on the brink of war. Can one teenage boy in Tokyo really be the one deciding the world's fate. Of course he can, it's typical Anime!
- 4:00 am **COYOTE RAGTIME SHOW** TV 14
We're going to Graceland! An escaped convict, his partners and the girl he's babysitting are chased by the cops and the Gothic Lolita 12 Sisters! Again, just your typical Anime plot and characters.

SUNDAY, APRIL 19-th, 2009

- 6:40 am **xxxHOLiC** TV PG
Watanuki can (unwillingly) see spirits, and they seem to be attracted to him. Once he meets the mysterious shop owner Yuuko, things get worse!
- 8:20 am **TACTICS** UNRATED
Kantarou is a writer with both a fox demon and a demon-eating goblin. As if that wasn't trouble enough; he travels across Japan fighting demons, and solving mysteries. Then he writes all about them.
- 10:50 am **SCHOOL RUMBLE** TV PG
Tenma likes Ooji. Kenji likes Tenma. Sounds like a regular high school romance. This being Anime, more than one complication will arise.
- 12:55 pm **CASTLE IN THE SKY** UNRATED
One of Miyazaki's best films! Pazu catches a girl, Sheeta, as she floats down from the sky! Her pendant tells of the legendary floating castle of Laputa. Add in air pirates and secret agents, and you got a story!
- 3:00 pm **THE END! FINI FINALE!** or dig something out of the box.
This schedule is subject to both change and bad time management!
